

# 2013 Fast Electric Nationals

## OffShore Electrics.com & RC Modeleers of District 9 Proudly presents 2013 Fast Electric NAMBA Nats."

Welcome Racers

Lake Minden, Nicolas Calif. — This year's NAMBA Fast Electric Nationals are coming up  
The entire event runs from Tuesday, June 4-8 at Lake Minden, Calif., which is located north of Sacramento.

Tenth-scale unlimited hydros are currently scheduled to run on  
Friday, June 22 (modern) and Saturday, June 23 (vintage).

The NAMBA FE Nationals are presented by RC Modeleers of District 9.  
Power will be provided, but if you need to use a generator, you're asked to bring "whisper" model.

The course is a NAMBA Official 1/6th mile Gas/Nitro & FE course. Therefore, records are allowed.

During open water, there is a \$5 buoy damage fee. Open water will start at noon Tuesday  
and after each race day. There will be no open water the morning of each race day.  
Slalom buoy balls that are highly visible and won't damage boats will be used for course buoys.

Registration and Banquet fees have a deadline of May 18th.  
After May 18, there will be no refunds for dropped classes.

NAMBA membership is required, or you can sign up for single-event insurance on race day.

Drivers meeting is at 8:30 a.m. each day, with racing starting promptly at 9 a.m.

For more information, or to register for the event,  
email Contest Director Dave Bestpitch @ [dave.bestpitch@namba9.net](mailto:dave.bestpitch@namba9.net)

A complete schedule & registration form for the week is attached

2013 NAMBA FE Nationals presented by RC Modeleers of District 9

Lake Minden Nicolas, Ca

June 4th-8th, 2013

Dear Racer,

Thank you for signing up for the 2013 FE Nationals. This will be a world-class event and we're glad that you will be a part of it! The RC Modeleers will do everything we can to make this the best racing event you have ever experienced.

Listed below are a few housekeeping items:

Power will be provided. If you plan on using your own generator, "whisper quiet" models are allowed (i.e. Honda's/Yamaha's).

If you need a table and chair, please email me at [dave.bestpitch@namba9.net](mailto:dave.bestpitch@namba9.net)

Lake Minden is a NAMBA Official 1/6th mile Gas/Nitro FE course. Therefore, records will be allowed.

During open water, there is a \$5 buoy damage fee.

Open water will be from noon on Tuesday and after each race day. There will be no open water the morning of each race day.

Drinks and lunch will be provided on site. Some days will be sponsored; some will require a nominal charge.

Trailers are allowed inside the park. Also, the park is patrolled regularly

There is ample space for RV's/campers.

Have boots or water-shoes (closed toed). You will be in the water when launching for your driver.

Registration

Registration and Banquet fees have a deadline of May 18th. After May 18th, there will be no refunds for dropped classes. You may add a class right up until the start of the event (June 4th), as long as that class has made the schedule with a minimum of 4 entries by May 18th.

NAMBA membership is required, or you can sign up for single-event insurance on race day.

Drivers meeting is at 8:30 each day, with racing starting promptly at 9:00.

P-Ltd Motors

All P-Ltd classes will have motors visually inspected and identified for compliance each race morning, and the top 3 racers for each P-Ltd class will have their motors Kv checked against a sample value. Please keep in mind that the motors are to be run "As shipped from the manufacturer" (in other words, Box Stock), with the exception of adding water cooling, grinding a flat spot and connecting to ESC by any means. If you direct-solder your wires, be prepared to de-solder them if you podium finish so the Kv can be checked without any fear of damaging your ESC. Motor wiring and shrink is to remain stock and it will be allowed to get them back to stock if modified, from 5 mm outside of the endbell to the internal windings.

If you have a question or need anything before or during this event, please call me directly at (916)276-8726. It is my pleasure to make sure you have everything you need to make this event a special one.

Dave Bestpitch, Contest Director

NAMBA 98

For everyone wanting to stay at the pond Call Sonya for reservations (530) 656 2702 she is the super host and has many deals for you They have rv spots with hook ups (suggest D Section) we even have sites next to the pits however no hook ups don't call Thousand Lake Trails.

For a close Motel we have Quality Inn  
4228 S Highway 99, Yuba City, CA, 95991 United States  
855-239-9223

If you have a question or need anything before or during this event, please call me directly at (916)276-8726. It is my pleasure to make sure you have everything you need to make this event a special one.
